	January. Soldiers seen in the installation, which belows the Schiesstattring barracks block, were red service color. A company-size unit marching on Schiesstattring were red service color, and consisted of young soldiers in winter uniform who were armed with rifles and submachine guns. Each of the three platoons had a light machine gun. Motor vehicles seen in the installation included 16 trucks and 8 jeeps. No yeapons or armored vehicles were observed. Truck driven by 25X1 a soldier wearing red service color hauled lumber to the installation.
8.	The Rainer-Kaserne on Schiesstattring in St. Poelten was used as a billeting area on 25 Janua y. No details were available, since the installation was completely off limits.
9.	The district court on Schiesstattring in St. Poelten was guarded by a sentry wearing red service color on 25 January. Lithin a short time 32 soldiers of all ranks were seen entering or leaving the building. Yost of them were red service color. A platoon-size unit with red service color, armed with rifles and carrying tarrets. left the installation.

25X1 25X1 25X1 25X1 25X1 25X**	Comment. Except Viehofen Castle and the carp in Spratzern, all the objects mentioned are located in the so-called Kasernenviertel. The installation on Messestrasse probably is an officers mass. The castle of Vichofen is on the morthern perimeter of St. Poelten, between the railroad to Krems and Kremer Landstrasse. The motor vehicles observed belong to the 95th Gds Mtz Rifle Div. The information supplied , as well as that supplied by reported for the first time, indicates no chance since the last report. Comment.
